Схема сборки деталей на бумажных листах А4

Лекала с припусками. Припуски - пунктирная линия. Величина припусков указана.

Шить из легких хорошо драпирующихся тканей типа атлас, шифон, хлопок.

Сшить плечевые швы; вшить бочок; сшить рукав и вшить рукав в пройму.
Низ блузы и рукавов подвернуть. Горловину обработать косой бейкой или обтачкой.

A1

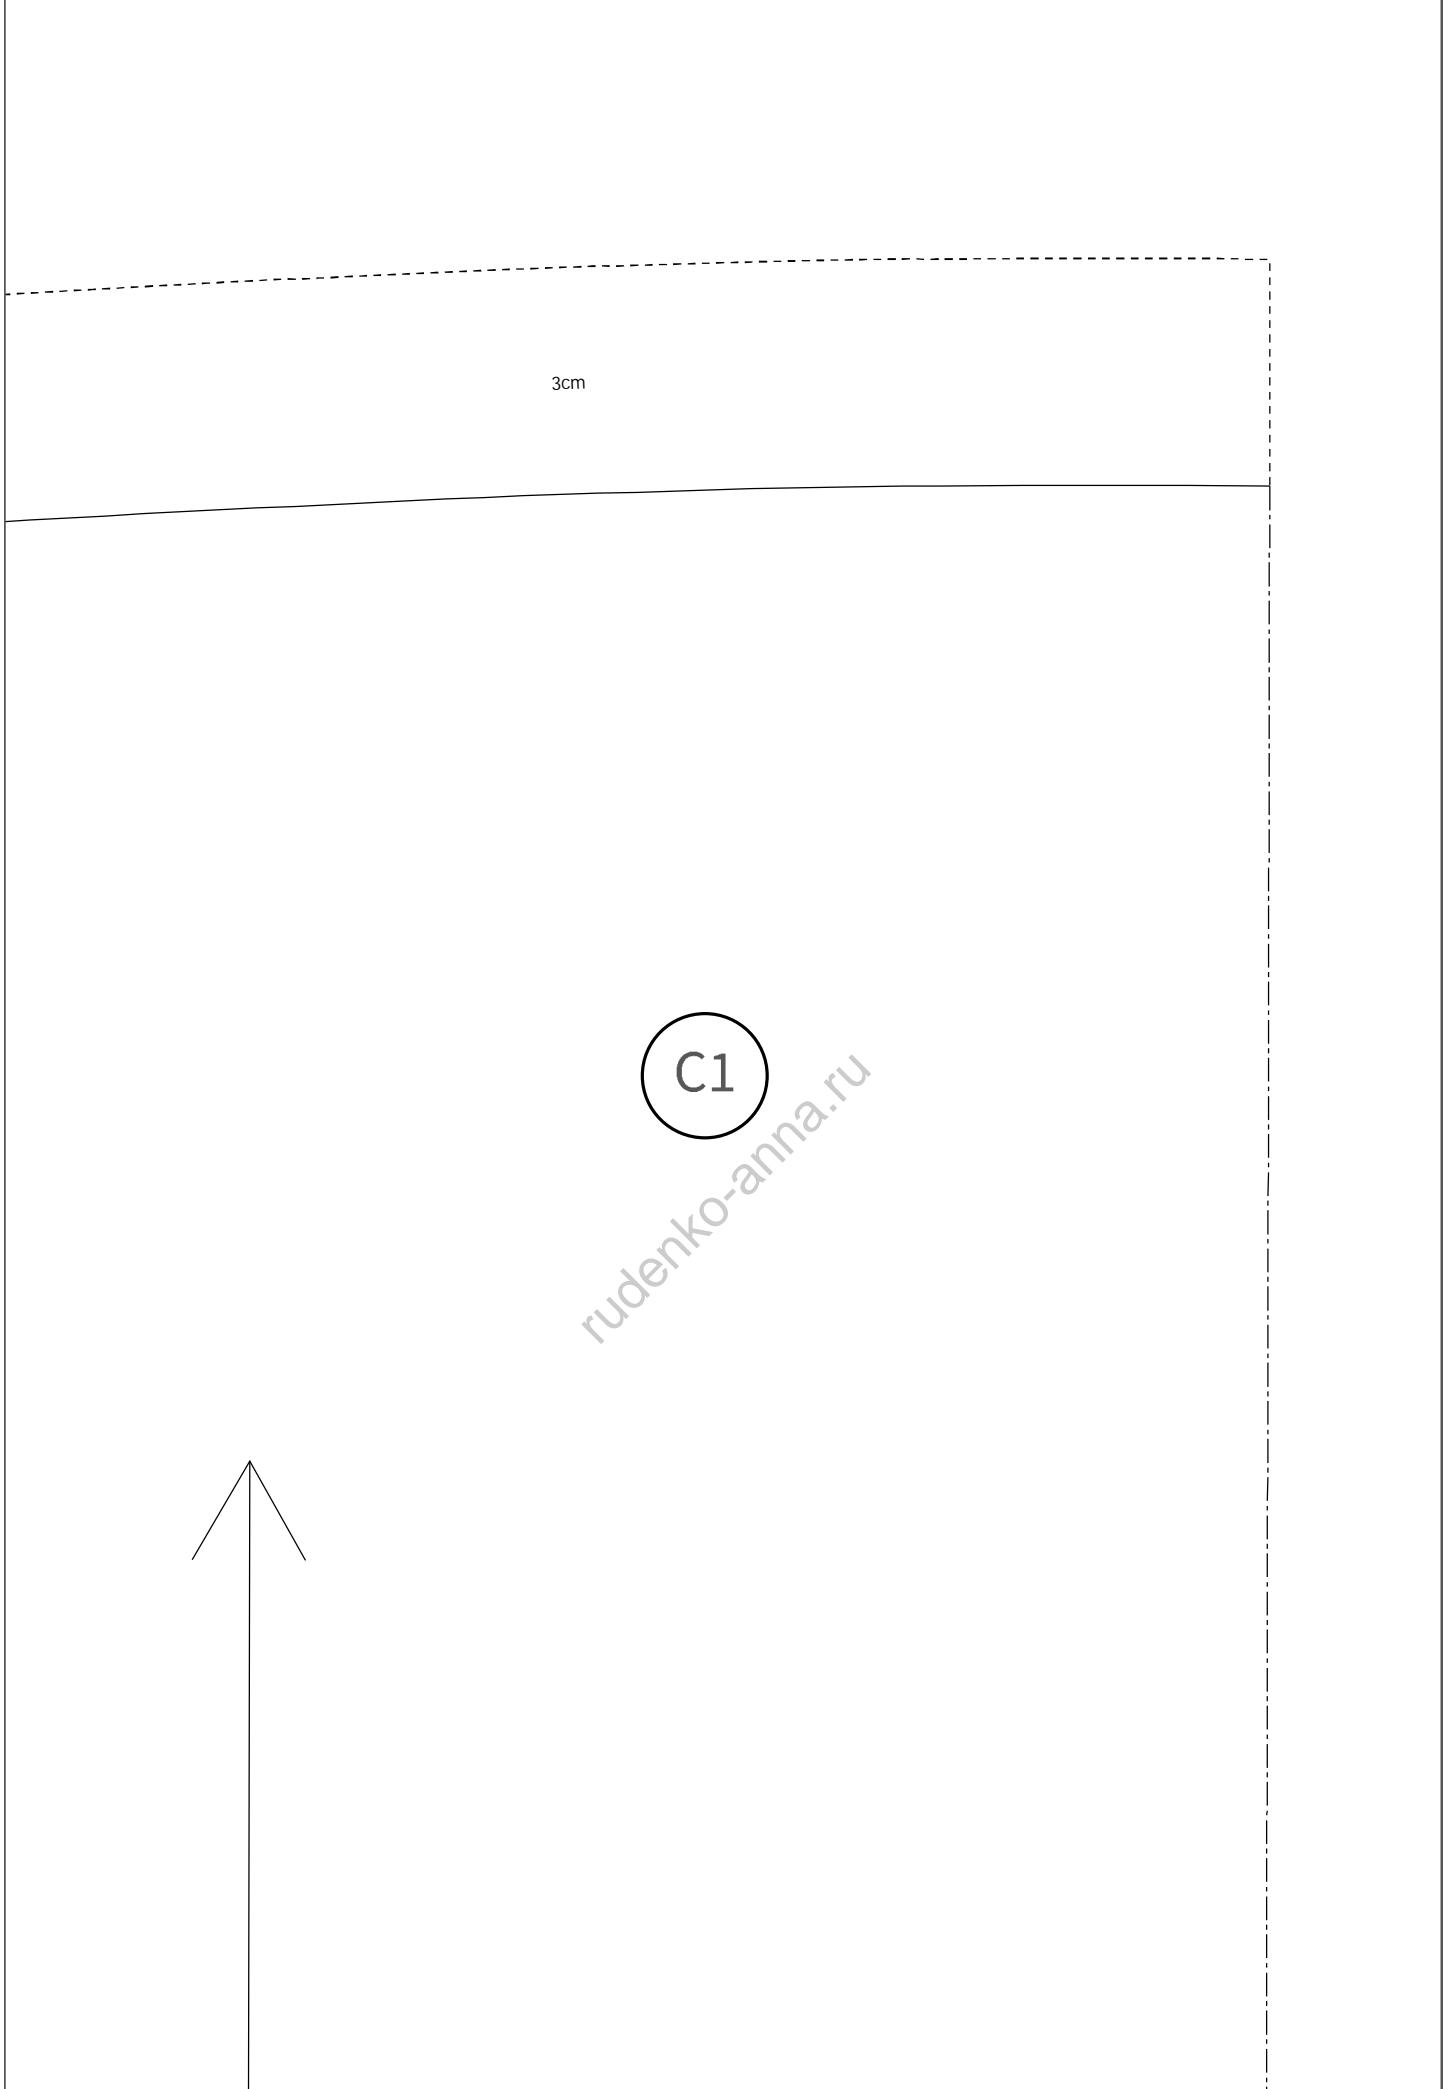

A diagram showing a trapezoid ABCD. A circle with center B1 is inscribed in the trapezoid, touching all four sides. The top side of the trapezoid is dashed. The right side is solid, sloping upwards from bottom-left to top-right. The left side is solid, sloping downwards from top-left to bottom-right. The bottom side is dashed. A diagonal line segment connects vertex A to vertex C. The label B1 is inside the circle.

B2

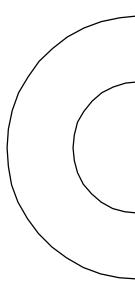

The diagram shows a trapezoidal frame defined by solid black lines. Inside the trapezoid, there is a dashed line forming a smaller trapezoid. A circle with the label "B2" is positioned at the top center of this dashed trapezoid. The entire diagram is enclosed within a large rectangular border.

E2

F2

The diagram shows a trapezoid with vertices at the top left, top right, bottom left, and bottom right. A dashed line extends from the top left vertex downwards and to the right, meeting a second dashed line that extends upwards and to the right from the bottom right vertex. These two dashed lines, along with the trapezoid's top side, form the perimeter of a larger triangle. The label F2 is enclosed in a circle at the intersection point where the two dashed lines meet.

A3

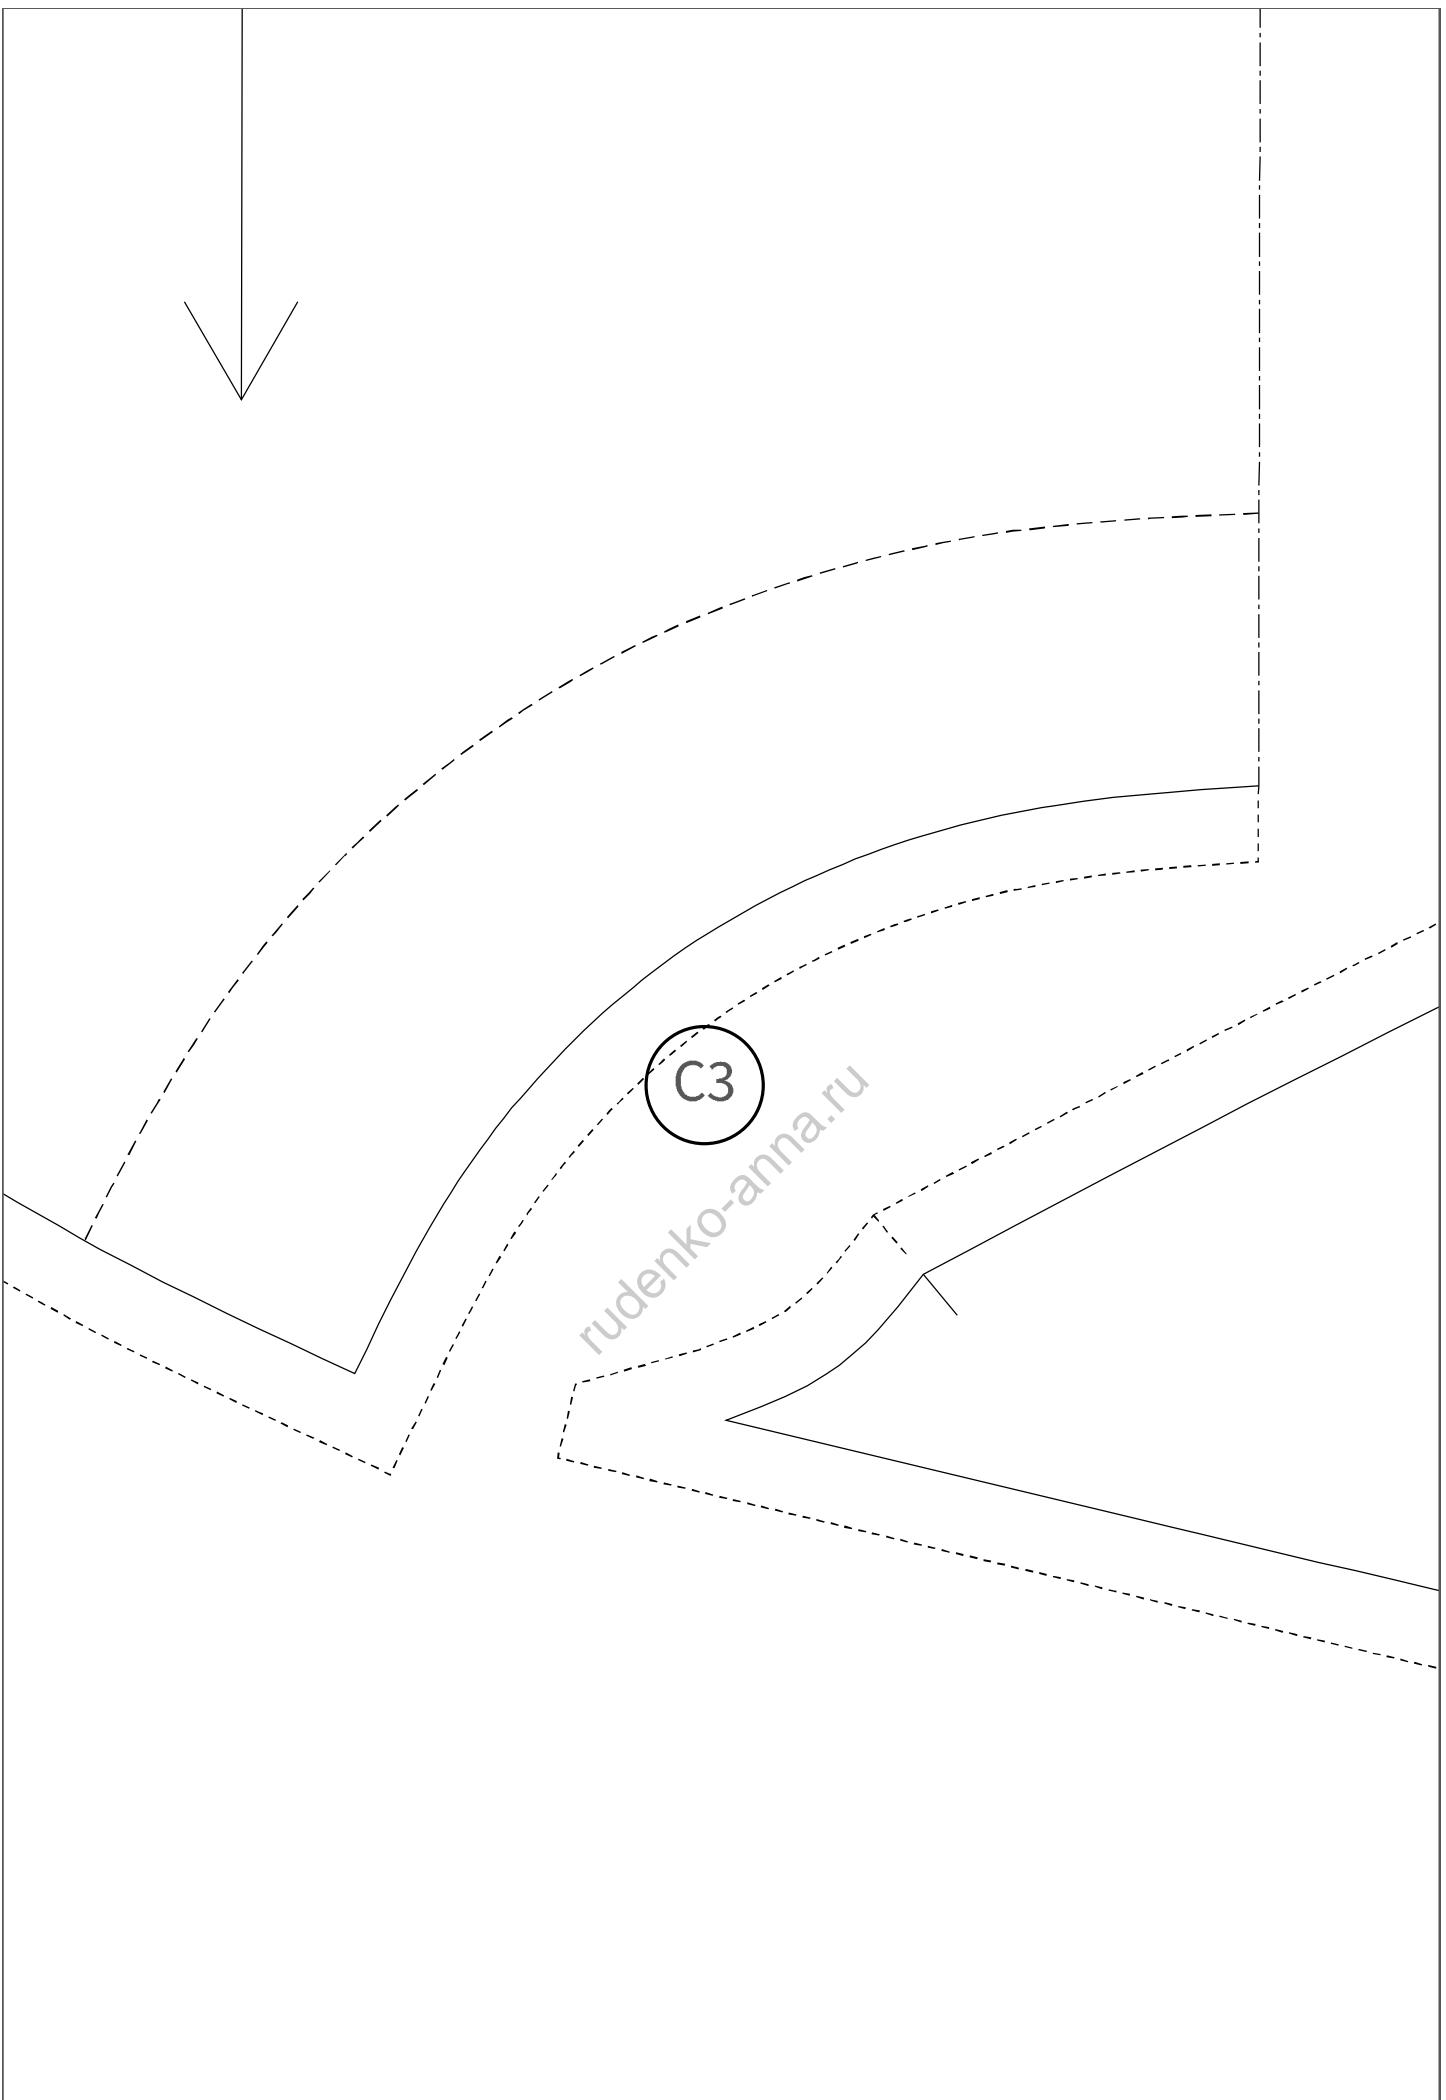

The diagram illustrates the A3 paper size. It features a large outer rectangle with a dashed vertical line on the left side. A solid vertical line is positioned on the right side, with a V-shaped cutout at its top. Inside the rectangle, a horizontal line extends from the left edge to a point 3 cm from the bottom edge. A circle is drawn around this 3 cm mark. The text "A3" is placed within this circle.

3cm

B3

The diagram shows a large right-angled triangle with its hypotenuse sloping upwards from left to right. A dashed line forms a smaller, similar right-angled triangle inside the first one, also sloping upwards. The area between the two triangles is shaded grey. The text "B3" is enclosed in a circle at the bottom left of the diagram.
